PROFESSIONAL SUMMARY

Java Full Stack Developer with hands-on experience in building web and Android applications using Java, Spring Boot, React.js, Node.js, and MySQL. Interested in creating simple, fast, and user-friendly applications while learning new technologies and improving development skills

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, Python, PHP, SQL

Java Technologies: Core Java, JDBC, Servlets, JSP, Collections Framework, Exception Handling, Multithreading, OOP

Frameworks: Spring Boot, Spring MVC, Hibernate, React.js, Node.js, Express.js, Bootstrap

Frontend: HTML5, CSS3, JavaScript, React.js

Databases: MySQL, MongoDB, SQLite, SQL Server

Tools: Git, GitHub, IntelliJ IDEA, Eclipse, VS Code, Maven, Tomcat, Postman

PROJECTS

Java Travel Application – I Tour

Technologies: Java, SQLite, XML, Android Studio

- Developed an Android-based travel guide application using Java and SQLite.
- Implemented location management, route mapping, and offline data storage features.
- Improved performance using local caching and optimized database queries.

Pizza Ordering Web Application

Technologies: React.js, Node.js, Express.js, MongoDB, JWT

- Built a full-stack ordering platform with secure authentication and payment integration.
- Developed REST APIs for order management and user handling.
- Implemented JWT-based login and session management.

Creative Bits Education Website

Technologies: PHP, MySQL, HTML, CSS, Bootstrap

- Designed and developed a responsive educational institute website.
- Built admin dashboard functionality for course and student management.
- Integrated MySQL backend for data management and registration handling.

EDUCATION

Master of Computer Applications (MCA) – Software Engineering

Amity University | Jul 2025 – Present

Bachelor of Science (B.Sc.) – Information Technology

University of Mumbai | Graduated Jan 2024

ADDITIONAL INFORMATION

- Knowledge of Data Structures and Algorithms
- Familiar with Agile methodology and REST API integration
- Strong problem-solving and debugging skills
